ISD WINS SPIKE OUT!!!!

Our ISD Volleyball Team traveled to the Kansas Deaf School for the Third Annual Spike Out Tournament last weekend and brought home the biggest trophy - 1st Place!!! Erica Hossler, Cherish Lewis, and Pia Marie Paulone were named to All-Star Team.

In the pool play on Friday, we faced Minnesota and disposed the Trojans comfortably, 15 - 7, 15 - 4 behind Erica's 8 kills and Cherish's 8 aces and 13 points. Pia Marie, nurturing her left knee MCL sprain, tweaked her right knee so we planned to sit her out against California, Riverside

In the first game, ISD was behind the Cubs, 1 - 10 so Pia Marie had to enter the game and helped rally our girls to a narrow win, 16 - 14. The 2nd game was no contest as we blew them away, 15 - 4. Pia tied her personal and the ISD record with 18 assists, and Erica contributed 10 kills and 9 points with 92% serving.

We played Missouri next with a new line-up to give our starters some rest. A freak collision between Lena and Brooke resulted in a severe sprain on Brooke's right ankle. Candice stepped up and served for 7 aces and 14 points for 94%. This was another win for the Lady Deaf Hoosiers: 15 - 3, 15 - 10.

In the final match of pool play ISD played the Maryland Orioles. We looked like a M.A.S.H. team, both of Pia Marie's knees, Cherish's bulging left elbow, Candice's jammed thumb, Erica dead tired, Lena with a sleepy head, and Brooke admitted to the hospital's Emergency Room. We did not execute well and lost, 9 - 15, 9 - 15.

Saturday was a new day with all teams in the playoff. We faced Iowa and rolled past the Bobcats easily, 15 - 4, 15 - 4 behind Cherish's 6 aces.

Our next foe was Kansas with their 6'1 middle hitter along with the rowdy Jackrabbits fans under their home roof. We didn't flinch a bit and went with our strategy attacking their weaknesses. We were in control all the way and executed excellently. Cherish and Erica leaped for 12 kills apiece with Pia Marie's 13 assists, 10 points, and 100% serving. The scores were 15 - 11, 15 - 13.

Our final destination was the championship rematch with MSSD, whom beat us last year. We definitely showed up with Enthusiasm, Guts, Optimist and Desire to topple MSSD from their 5 straight National Champions reign. Again, we followed our game plan and captured the first game, 15 - 6. Our 2nd game was a thrilling battle as neither of us wanted to lose. The Eaglettes prevailed with help of our 7 serving errors. The 3rd game

was completely one-sided as ISD dominated every aspect of the offense and defense. 15 - 5. Our intensity was fueled by Lena's 4 inspiring blocks, Erica's 11 uncontested kills, Cherish's 5 overpowering aces and 12 critical points, Pia Marie's 15 delicate assists and 15 points for 95% serving. Thanks to the girls for making our dreams and wishes come TRUE...1 - 5. Our current record is 18 - 9.

FIREBALLS AT WORK

Fireballs to Laura Sutton, an ISD high school student, who helped a Northview MS student feel very welcome at ISD. She did an excellent job explaining all of the positive things that are available at ISD. Laura spent several minutes talking about how "cool" ISD is! We applaud Laura for making the student feel welcome and wanted at ISD.

The second activity will be a dessert auction. Staff members will make/buy desserts and bring them to school Monday, October 1st. At 8:50, Middle school students will go to the auditorium along with any interested staff member and bid for the desserts of their choice. At 10:00, it will be High School students' turn. Again, any interested staff member may also bid on the desserts. We (the eighth grade students) will run the auction and take care of the money. Next week, we will ask staff members to sign up to bring desserts to be auctioned. Desserts may be homemade or purchased at a store/bakery. We hope all staff can bring a dessert. The more desserts we have, the more money we can send to The American Red Cross.

The third activity is being done with the Junior Class. You will notice jars have been placed in many offices across campus. These jars are for donations. Anyone with any spare change or money they do not need anymore is welcome to put it in these jars. Class representatives will be around next Friday to collect the jars. Again, please be generous. The fuller the jars, the more money we have to send to The American Red Cross. If you have questions, comments or brilliant ideas, contact Becky Smith in Middle School.

Together, we can save a life

Sports Update

HS Football - ISD lost a heartbreaker to Edinburgh with a score of 30 to 14. This was a game that we could have easily won but due to unexpected, unreal, and bad timing circumstances that do happen, our six starters were out and unable to play the game. We lost this game due to youth and inexperience making too many turnovers and mistakes. We fumbled six times in the first half; it was almost like watching the "bloopers." But, Coach Reynolds emphasized, "Our players have learned a great deal and fought back in the second half. We showed that we never quit and that we still had Pride and Class." Our players played hard and showed great sportsmanship which cannot be said of another team. We showed excitement and enthusiasm with only 18 players eligible to play that day. Coach Reynolds believes that many of the players are making a tremendous learning process. The team knows that they are a better team, but unfortunate circumstances didn't allow them to have the opportunity. Again, who says, "Life is Fair; we all know it isn't." Right now, our team is experiencing a tough journey, but we are still hanging tough and together as a TEAM. They are great bunch of boys, and Coach Reynolds is very proud of them! Highlights for us include:

- We had about five or six great scoring drives.
- Our defense showed fire and sparks by tackling, blitzing, and pressuring their offense.
- Our running back, Onye Davis, ran hard rushing 25 times for 160 yards and two touchdowns, and a PAT.

Twelve Golfers at ISD Golf Outing - Last Saturday, the weather was great for 12 golfers who played golf at William Sahm Golf Course. The golfers were: Peter Pickering, Dan Fitzpatrick, Dave Catt, Rod Squire, Malcolm Peters, David Bailey, Jess Blackwell, Tim Harrold, Nancy Hardwick, Ted Myhre, Kathleen & Rick Robertson. The playing conditions were excellent, but the greens posed a huge challenge for everyone! Like last spring, the format was "Banker Handicap System" where it (at least) guaranteed fair play for every golfer. Cash prizes were awarded to the following:

First Place: Rick Robertson (again!)

Lowest Putts: David Bailey

Lucky Number (7th place): Tim Harrold

Be on the lookout for the ISD Spring Golf Outing in the month of May 2002. Details will be announced at least a month before the outing, so watch out for the announcement! Hope to see more golfers at our next outing! - Malcolm Peters

White Board Available - Kay Sellers in High School has a dry erase board available. If you're interested, please contact Kay.

Flu Shot - The ISD Health Center will again host a flu clinic on Tuesday October 16 from 2:00 – 4:00 PM. Flu shots will cost \$15 and Pneumonia shots will cost \$25 this year. The clinic will be provided by "Coming of Age," and checks should be made payable to that name. This clinic is open to students, their parents and ISD staff. Please contact the HC if you have any questions.

Books Are Fun - A company named "Books are Fun" has brought in some books for staff to purchase at a 40% - 75% savings. If you wish to see what books are available, they are on display in the Alumni Hall Library. Fill out an order form and the Regional Manager will come by and pick up the orders, and then deliver them to the Alumni Hall Library. Payment will be due upon delivery. Periodically, different books will be delivered to purchase with that same savings. Stop by the Alumni Hall Library and check out these books.

From Becky Smith's and Her Students - The students in my eighth grade class were very concerned about the attacks in New York, Washington D.C., and in Pennsylvania. The students decided they wanted to help the survivors, families of victims, and the rescuers. As a result of our discussion, 3 activities have been planned.

DOE Chooses ISD Has A Pilot Site for ICAN

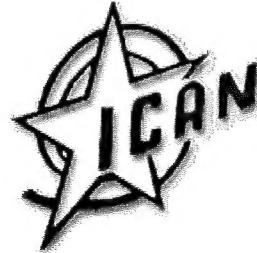

The Indiana Department of education has chosen ISD as a pilot site for the first phase of the Indiana Curriculum Assessment Notebook (ICAN) Project. ICAN assists teachers in building their lessons and curriculum based on the Indiana Department of Education's Proficiency Standards.

ICAN is:

A web-based management system designed for educational accountability.

ICAN offers or replaces:

- Standards Lists
- Curriculum Manuals
- Lesson Plan Books
- Project Planners
- Skills Checklists
- Assignment/Assessment Reports
- Student Portfolios
- Term Report Cards
- Permanent Progress Records

ICAN features:

- An interdisciplinary continuum of standards and indicators from birth to adulthood
- Templates for designing learning experiences based on selected standards
- Links to libraries of lesson ideas
- Electronic planners for organizing and sharing curricular designs
- Accountability registers that compare standards addressed and those remaining
- Rubric designer for specifying performance requirements and point values
- Individualized assessment records that account for progress over time
- Performance graphs and charts based on defined areas of progress
- Gap analysis tables useful for remediation plans
- Aggregate reports per selected student groups

It has features that allow parents to access their child's progress through the Internet. ISD was chosen for its unique qualities and enthusiastic participants. The team reviewing the applicants based their decision on technological issues, regional/geographic and grade/age requirements, available local resources and school vision statements. Ten pilot sites were selected to pilot ICAN. At ISD it will start in the Elementary department.

Thanks to the following Elementary staff for volunteering your time last summer to learn how to utilize ICAN with your students and their families.

New State Policy - With the availability of electronic calendars on both Microsoft Outlook and Groupwise, and the need to cut costs even if they appear to be minor (the cumulative effect of this and other similar reductions can result

in noticeable savings), I have placed a restriction on the Boise Catalogue for the purchase of desk calendars. Desk calendars will no longer be available from Pam Lewis.

Sports Update

HS Volleyball - ISD Varsity Volleyball Team got together after a day off and traveled to Kokomo Christian, a usually stubborn foe. We were clearly the better team and won two games without working up much of a sweat. Our sub par performance was sufficient to prevail with scores of 15 - 8, 15 - 8. Pia Marie fed 11 assists for Cherish and Erica's 6 kills apiece. Erica Hossler broke the old school record for season kills with a total of 157 set by Valerie Sharer in 2000. The new school record is 172. Our record is 19 - 9. The Player of the Match is Pia Marie Paulone with 11 assists, 3 aces, and a bad rug burn.

3. Describe the planning process that takes place for students age 14 and older to ensure a successful transition to work, independent living, or additional education services (e.g. college, technical school). Are students receiving the services needed?

The Part C early intervention questions are:

1. Are there any barriers to the process of referring infants and toddlers to the Early Intervention system, or in obtaining evaluations?
2. Do all infants and toddlers with disabilities and their families receive all the services they need? Where do children receive their services? (community settings, day care, homes, libraries)
3. How are families included and supported in the process of development of the IFSP/in making decisions about their child's services?
4. What family support services are available in your community?
5. By the child's third birthday, does transition planning result in the timely provision of needed supports and services to a child and a child's family?

This will be the 30th day commemoration in honor of our fallen

friends desecrated by the terrorists' attacks on NYC , the Pentagon, and the highjacked plane that crashed in PA. The purpose of driving with headlights on this day will:

1. Show our respect, friendship, and tribute to all of those individuals that lost their lives on that dreadful September 11, 2001 day.
2. Show our concern for the family members of those individuals.
3. Show those uncouth terrorists that the fabric of the USA is stronger than steel.
4. Show that we Americans have solidarity standing shoulder to shoulder against any terrorists' acts upon the USA.

White House Commission on Special Ed Created

WASHINGTON (AP) -- President Bush on Wednesday announced the creation of a special commission to study special education issues. The 19-member White House Commission on Excellence in Special Education will be chaired by former Iowa Gov. Terry Branstad and will include state superintendents and education experts from around the nation. Congress next year will probably debate reauthorizing the Individuals with Disabilities Education Act. Lawmakers this month are considering whether to adopt a measure, proposed last spring by Senate Democrats and backed by several Republicans, that would mandate \$8.8 billion next year for special education. The House-approved budget includes about \$7.3 billion, about \$1 billion more than in 2001. Under the terms of the Senate bill, the federal government would give schools just over \$21 billion for special education by 2007. But many Republicans say the huge increases proposed by the Senate would slow reform of a system that earlier this year was criticized by the Civil Rights Project at Harvard University, which found that black children are three times as likely as whites to be placed in such programs. IDEA, enacted in 1975, called for Washington to provide 40 percent of funding for disabled youngsters' education. This year the federal government provided about 15 percent. Separately funded programs provide money for children younger than 5 years old, as well as for teacher training. States and school districts share a much larger burden. About 6 million children receive special education funding, which pays for school instruction and help for everything from dyslexia to paralysis to blindness. The money also pays for the voluminous paperwork required to keep track of children's progress.

Sports Update

HS Volleyball - What a match with the 2000 Sectional Champion, Blue River Valley!!! Since October 21, 2000, we have targeted BRV as our nemesis after they eliminated us from last year's sectionals. Playing at ISD, we were not physically and emotionally ready to meet them head-to-head as they rolled to their first win, 6 - 15. I urged our girls to cut down on unforced errors and focus on basics. We completely dominated the 2nd game behind a combination of Pia Marie' 7 assists and Erica's 7 kills, 15 - 3. The third game was even better for us as we played a solid defense and repeatedly executed basics. Cherish came on fire with 6 kills to finish them off, 15 - 7. Our record is 20 - 9. The Player of the Match was Annalee Laird with 5 points and numerous digs that kept our momentum going. - Coach Bippus

HS Cross Country - Yesterday at the Cross Country Meet at Riverside with Ritter and Northwest, the ISD Boys Team got second place after Ritter. There were 12 boys in the race. C.L. Young placed 4th (22:55); Jarred Abney placed 5th (23:50). Nick Curtin placed 8th (24:36); Drew Robarge placed 10th (29:05). Cory West placed 11th (38:37), and Danny Shively placed 12th with his effort (40:42). The boys are looking forward to the Sectional next Tuesday. But, they must focus on the Manual Meet tomorrow at Garfield Park. The meet begins at 10:00 am. with predicted chilly weather! Give a high five to the ISD Cross Country Boys Team!

ISD Football Sectional - On Friday, October 19th, our HS Football Team will play Edinburgh HS at 7:30 p.m. for our first sectional game. Coaches Reynolds, Fenicle, and Mader will be responsible for the boys

National Drive With Your Headlights On Day - Please join us and forward this to your friend and family asking them to also forward it. We have 21 days and counting to get the word out all across this great land we love and call the United States of America. Let's see how powerful email can be! On Thursday, October 11th, 2001, have everyone in the USA that will be driving a motor vehicle that day to drive with the headlights on during daylight hours. This will be the 30th day commemoration in honor of our fallen friends desecrated by the terrorists' attacks on NYC , the Pentagon, and the highjacked plane that crashed in PA. The purpose of driving with headlights on this day will:

1. Show our respect, friendship, and tribute to all of those individuals that lost their lives on that dreadful September 11, 2001 day.
2. Show our concern for the family members of those individuals.
3. Show those uncouth terrorists that the fabric of the USA is stronger than steel.
4. Show that we Americans have solidarity standing shoulder to shoulder against any terrorists' acts upon the USA.

Sports Update

HS Football – A young and rebuilding team with several first-year juniors and freshmen starters saw a loss on Saturday afternoon to Eri Mason. The final score was 0 to 50. It was a mismatched game. Their team was simply too big in size (both with a H.S. enrollment of 450 to 550 students and physically big and strong "Corn-fed country farm boys). Our boys must participate in a weightlifting program during the off season, attend some football-sports camp during this spring and summer, and attend the mandatory ISD Summer Football Camp in August. The team looks forward to its upcoming football games. ISD plays MSSD this weekend in D.C. and Edinburgh for the first Sectional game this month. We are still prepared to fight and give our best to win. We have 25 players who are still hanging tough and playing hard. – David Reynolds

ISD Football Sectional – On Friday, October 19th, our HS Football Team will play Edinburgh HS at 7:30 p.m. for our first sectional game. Coaches Reynolds, Fenicle, and Mader will be responsible for the boys after school at 3:00 pm and accompany the team to cafeteria for a self-serve supper at 4:15 p.m. The team will leave campus at 4:45 p.m. for Edinburgh. After the game, all boys will go home from either Edinburgh or ISD.

Middle School League Volleyball Tourney Information – The 5/6th Team will play Bethesda at ISD at 4:30 pm on Monday, October 15th. If they win that match, they will play at the International School at 5:30 pm on Tuesday, October 16th. If they win again, they will play at the International School at 6:30 pm on Tuesday, October 16th.

The 7/8th Team will play Heritage at ISD on Monday, October 15th at 5:30 pm. If they win, they will play at Park Tudor on Tuesday, October 16th at 4:30 pm. If the team wins again, they will play in championship game at Park Tudor at 6:30 pm on Tuesday, Oct. 16th.

Sports Update

HS Volleyball - Last night, ISD welcomed its new opponent, Lutheran - 2000 #10 in the State, to our gym. We jumped to an early lead, 10 – 1; they scrambled for few more points before we closed them down, 15 - 6. The second game caught us napping as they blasted away to 1 - 10 lead; we begin to build our own rally to make it 2 points, 12 - 14. They converted final point, 12 - 15. The final game was a thriller as everybody put their best effort forward, and ISD held on to win the match, 15 - 9. Our record is 26 – 9. Pia Marie Paulone set a new record for 19 assists upping her personal best of 18 from 2 weeks ago. Erica Hossler set a new school record for 16 kills, eclipsing the old record of 13 kills by Cherish Lewis in 2000. The Player of the Match was Erica Hossler with 16 kills, 12 points, and 5 aces.

5th-7th Grade Volleyball – We played against Sycamore competitively last Tuesday and gave away the match to them. 2-15, 15-9, 11-15. We were not familiar with Sycamore's gym, which is very small. I was impressed with the team, because they handled themselves well in the second and third sets. We will play against International School today at 4:30. Fans, please come to watch us play! Our record is 7-4.

Book Sale - The Alumni Hall Library has two different companies that have set up a book display and other items for sale at a discount rate of 15 - 75% off. The prices are very, very reasonable. The other company, American Book, has its display table just west of the library entrance. They offer books at a 15 - 75% discount rate and offer 2 free books for the Library for every 10 books sold. This company also allows you to post-mark checks up to 3 weeks. You need to pay for the book when it is ordered, and the books will be delivered from American Book, on the following Monday. Each company will come every 5 - 6 weeks to change the selection of books. Be sure to stop by the Library and check out the books. Please see Laura Kesterke if you are interested in ordering any of them. Thank you for your support of our Library.

Eighth Grade Volleyball – Our team played the International School last night. It was an easy game for us. They were not very competitive, and we beat them 15-4 and 15-9. Come support us on Monday at 5:30 pm in the KRC. We play Heritage Christian.

Sports Update

8th Grade Volleyball – Yesterday, the 8th graders played their sectional against Heritage Christian. It was a full house of emotional fans, coaches and players. We played beautifully in the first game and won 15-1. We played our hearts out and made very few mistakes. In the next match, HC fired up. Both of us were competitive, and we lost 14-16. We lost the 3rd match 13-15. Naturally, we were heartbroken!! Overall, we did a great job!! I received many comments from fans saying "The ISD Team had improved a lot, and fans always enjoying watching us play". Way to go girls!! Katie made 2 blocks, and Chelsea made 5 kills. Amanda and Micaela provided excellent setting. Bethany was great with her coverage. Justine has improved her skills. Satish and Ghislaine were our great supports! Our final record is 9-5. Great year, ladies!

Volleyball Sectionals - ISD Volleyball Varsity will play its Sectional this Thursday, October 18th at 6:00 p.m., NOT at 7:00 p.m. at Clinton Prairie. If we win, we will advance to the 11:00 a.m. semi-final on Saturday, October 20th. From ISD, take I-65 North and get off at exit #158. Take Hwy 28 East toward Jefferson and turn right (south) at the cross road in Jefferson. You will see the school on the right.

Payroll News - I have notice while doing the payroll that there are quite a few staff not familiar with the new time sheets. Please, if you want to earn comp time, put it in the second line down. If you want pay for your overtime, put that on the third line down. Please use black ink when filling out your time sheet.

Grandparents Day - More than 40 grandparents attended the grandparents' events on Thursday, October 11. Thanks to the staff, students and interpreters for making their day very enjoyable. A special thanks to PTCO parent volunteers for helping with the decorations and food: Beth Slaven, PS, Kelli Phillips, Elementary and Amy VanDalen, HS. A comment from one grandparent was "I learned today that is it ok to be Deaf!"

From Superintendent Stailey - Due to the number of recently reported Anthrax cases in the United States, any mail received in the ISD mailroom or storeroom without a return address will be given to the ISD Campus Police for them to open in a secure area. This will include any packages and shipments that are received at the ISD. Should the Campus Police open the mail without a return address, it will be forwarded to the recipient after making sure it is safe. If you receive mail that is opened, it will **ONLY** be as a result of there being no return address. Should you have any questions, please contact George Stailey. Thank you for your support of the safety measure.

More News from Superintendent Stailey - As all of you probably know, the Indiana School for the Deaf and the Indiana School for the Blind are looking at ways to decrease costs and/or collaborate on services. A Task Force has been established and has met twice thus far. The next meeting of the Task Force will be in November. I would like to ask for you input as to ideas for cost savings at the ISD and for possible collaboration ideas with the Indiana School for the Blind.

Some ideas that have been reviewed and might possibly be implemented are:

1. Combine the Campus Police operations for both schools.
2. Combine the Laundry Services for both schools.
3. Provide courier services internally by both schools as opposed to having a contracted service.
4. Combine Technological Services for both schools.

The above are a few examples that might help you think about other ideas for consideration. Should you have any ideas, please send them to me via email or "snail" mail by October 24. Thank you in advance for any ideas that you might have for this project.

ISD Football Sectional - On Friday, October 19th, our HS Football Team will play Edinburgh HS at 7:30 p.m. for our first sectional game. Coaches Reynolds, Fenicle, and Mader will be responsible for the boys after school at 3:00 pm and accompany the team to cafeteria for a self-serve supper at 4:15 p.m. The team will leave campus at 4:45 p.m. for Edinburgh. After the game, all boys will go home from either Edinburgh or ISD.

Alumni Hall Main Entrance - The main entrance to Alumni Hall is closed for a few days. The non-skid surface on the front porch area of Alumni Hall is being replaced. The area will be closed for approximately five days depending on the weather's cooperation. Staff, students and visitors will not be able to enter Alumni Hall through this entrance during that period. Access to the building can be gained by using the basement's electric doors (the ramp) or the north doors to the building except by way of the alcove entrances.

Book Sale - The Alumni Hall Library has two different companies that have set up a book display and other items for sale at a discount rate of 15 - 75% off. The Library will earn items from this sale. One company, Books are Fun, has a display soon after walking in the entrance. For every 10 books sold, the Library gets 1 free book. The prices are very, very reasonable. The other company, American Book, has its display table just west of the library entrance. They offer books at a 15 - 75% discount rate and offer 2 free books for the Library for every 10 books sold. This company also allows you to post-mark checks up to 3 weeks. You need to pay for the book when it is ordered, and the books will be delivered from American Book, on the following Monday. Each company will come every 5 - 6 weeks to change the selection of books. Be sure to stop by the Library and check out the books. Please see Laura Kesterke if you are interested in ordering any of them. Thank you for your support of our Library.

Sports Update

4th, 5th & 7th Grade Volleyball – Congratulations to the team's recent wins in the IISL Tournament. They took second place. On Monday evening they defeated Bethesda. They played Kingsway in the second round of play defeating them in three games. In the championship game they were narrowly defeated by the International School. Congratulations to the all of the girls and coaches on the team.

Leah Grandt	Sami Krieger	Nukeitra Hayes
Holly Sharer	Mollie Sachs	Ann Whited
Tiara Finch	Shakaria Morris	Amber Iniard
Diannia Elkins	Brittany Yoder	Amanda Phillips

Some highlights of the games included:

- Leah made lots of good serves and some aces too.
- Nukeitra made a lot of blocks and spikes.
- Sami made lots of saves when the ball went far.
- Holly was very positive and helped us.
- Ann made several GREAT serves and made points.
- Tiara, Shakaria, Amber, and Brittany were very good supporters.
- Amanda was very positive, and kept smiling no matter what.

From the team - "We all were very good and want to thank all the fans that went to our games. They inspired us a lot. Leithia Whited, our coach, was very GREAT! She was supportive, positive, and a coach we will never forget. Colin was there as our manager, and he helped a lot too! Thanks!"

HS Volleyball – Last night was what every coach fears - An Off Day. We visited 4A Arlington and were out of sync from the first serve to the final point. We gave away 2 games with too many errors in all areas and couldn't snap out of it. The final scores were 7 - 15, 12 - 15. It was their first time beating us in 4 years. Our record is 26 – 10.

HS Football - ISD lost to MSSD in DC with a score of 49 to 0 last weekend. Our boys played hard and tried their best. The 1st Quarter was an exciting 0 to 0, but they soon broke away by finding our weakness in our passing defense. Our defense needs work, but our offense moved the ball well with Onye Davis and Kevin Webster rushing. We got into the 20-yard red zone about four or five times but didn't score because we either got penalty or fumbled the ball at crucial times. That hurt our momentum. MSSD had 14 seniors starting.

This Friday, our sectional game with Edinburgh should be interesting and exciting. We hope to win and advance for the third time in ISD Sectional Football history. Our football players, managers, and coaches deserve some recognition and praise for their dedication and continuing commitment. We are the smallest 1A Football team in Indiana.

The DC trip went very smoothly. The boys were well disciplined and well-behaved. They enjoyed going to the MSSD Homecoming Ballroom for dinner and dancing. A nice thing about the Ballroom is ISD and MSSD coaches really collaborated and developed a newfound relationship and respect for each other while the boys loved the food, the loud DJ, and dancing. Seeing Washington, D.C.'s beautiful national landmarks such as the US Capital, the Supreme Court, the Washington Monument, the Lincoln Memorial, Jefferson Memorial, and the Pentagon was very inspiring. We went to see the Pentagon to honor and pay respects to the victims of a terrible tragedy. We were very close to the part of Pentagon where the plane had crashed. We were deeply appalled and touched by the sight of it. It is an infamous historical tragedy that we will never forget. Some of our boys had never been out to Washington, D.C. The experience from this football trip is something we will never forget. - Coach David Reynolds

Volleyball Sectionals - ISD Volleyball Varsity will play its Sectional this Thursday, October 18th at 6:00 p.m., NOT at 7:00 pm at Clinton Prairie. Take Hwy 28 East toward Jefferson and turn right (south) at the cross road in Jefferson. You will see the school on the right.

ISD Football Sectional - On Friday, October 19th, our HS Football Team will play Edinburgh HS at 7:30 p.m. for our first sectional game. Coaches Reynolds, Fenicle, and Mader will be responsible for the boys after school at 3:00 pm and accompany the team to cafeteria for a self-serve supper at 4:15 p.m. The team will leave campus at 4:45 p.m. for Edinburgh. After the game, all boys will go home from either Edinburgh or ISD.

Varsity Swimming – Practice begins on October 22 for the Girls Varsity team. The boys begin their practice schedule on October 29. Girls, bring your goggles and suit to the October 22 meeting in the Caskey classroom at 3:30. If you have questions, contact Coach Caraboa.

Alumni Hall Main Entrance - The non-skid surface on the front porch area of Alumni Hall will be replaced very soon. The area will be closed for approximately five days beginning next week if the weather is favorable. Staff, students and visitors will not be able to enter Alumni Hall through this entrance during that period. Access to the building can be gained by using the basement's electric doors (the ramp) or the north doors to the building except by way of the alcove entrances.

More News from Superintendent Stailey - As all of you probably know, the Indiana School for the Deaf and the Indiana School for the Blind are looking at ways to decrease costs and/or collaborate on services. A Task Force has been established and has met twice thus far. The next meeting of the Task Force will be in November. I would like to ask for you input as to ideas for cost savings at the ISD and for possible collaboration ideas with the Indiana School for the Blind.

Some ideas that have been reviewed and might possibly be implemented are:

1. Combine the Campus Police operations for both schools.
2. Combine the Laundry Services for both schools.
3. Provide courier services internally by both schools as opposed to having a contracted service.
4. Combine Technological Services for both schools.

The above are a few examples that might help you think about other ideas for consideration. Should you have any ideas, please send them to me via email or "snail" mail by October 24. Thank you in advance for any ideas that you might have for this project.

Book Sale - The Alumni Hall Library has two different companies that have set up a book display and other items for sale at a discount rate of 15 - 75% off. The Library will earn items from this sale. One company, Books are Fun, has a display soon after walking in the entrance. For every 10 books sold, the Library gets 1 free book. The prices are very, very reasonable. The other company, American Book, has its display table just west of the library entrance. They offer books at a 15 - 75% discount rate and offer 2 free books for the Library for every 10 books sold. This company also allows you to post-mark checks up to 3 weeks. You need to pay for the book when it is ordered, and the books will be delivered from American Book, on the following Monday. Each company will come every 5 - 6 weeks to change the selection of books. Be sure to stop by the Library and check out the books. Please see Laura Kesterke if you are interested in ordering any of them. Thank you for your support of our Library.

ISD Is Greening Up!!!

Very soon, ISD will begin to recycle all over campus. Donna Stutler, Greening Committee Chairperson, is leading a committee to plan the project. The following staff are members of the Greening Committee: Bethann Wright, John Rahn, Andrew Metz, and Louise Teter. This group has had numerous meetings since the beginning of this school year.

The kickoff for the campaign will be during the National American Recycles Week in conjunction with American Recycles Day, which is November 15, 2001. We are very excited about saving our natural resources and campus resources. The above picture comes from the recycling station, which is located in the basement of the Alumni Hall. This station houses many facts, recycling receptacles, and various websites in which you and your students can learn more about recycling. There will be a total of 19 recycling stations that will be set up campus-wide.

At this time, we are seeking individuals who are interested in serving on our Greening Team. If you interested in helping ISD save natural resources, please contact Donna Stutler at DASTutler@isfd.state.in.us or by phone at 920-6296.

Sports Update

HS Volleyball - Facing Clinton Prairie, which is #8th ranked team in state, our sectional opener was a tough draw for us. I warned our girls that we must play an almost "perfect game" and commit the fewest errors to upset the Gophers. We tried to play our best but couldn't overcome 15 attack and 5 serving errors that resulted in 2-game loss, 6 - 15 and 5 - 15. Our best moments were 2 blocks apiece that Jorjan Jeter and Lena Robinson made against their 6'2" junior middle hitter who can jump serve. Erica Hossler contributed 6 kills and an ace. Pia Marie Paulone played her heart out and dove everywhere making a perfect pancake save. Our final record is 26 – 11. The Player of the Match is Pia Marie Paulone with 7 assists, 1 pancake save and 100% serving. Great year, ladies!!! Thanks, fans, for all of your support!

Safety Precautions – Please see the last few pages of the DB for safety precautions on chemical contamination.

HS Honor Roll Announcement - The Honor Roll announcement will be made in the Brown Cafeteria Friday, October 19, 2001 at 12:30. Please come and share the successes with your TOR students.

Yearbook - If you want to purchase a '96, '97, '98, or '99 yearbook at \$5.00 each or '93 or '94 yearbooks at \$3.00 each or 2 for \$5.00 see Kathleen Walters in High School. We have PLENTY of them!! Money from the sale of these yearbooks above will go toward production costs of the 2002 yearbook, which is projected to cost \$7,000. Your support is crucial and very much appreciated!!

If you want to purchase the 2000 yearbook, we have approximately 40 left. The 2000 yearbook has 136 pages with one color page. The price is \$30.00. The 2000, 2001, and 2002 yearbooks will NOT have price reductions, because we ordered limited numbers to save money. For example, for 2001, which will arrive soon, we ordered 100 yearbooks based on the fact that we had 80 orders so there are ONLY about 20 yearbooks left for 2001. GET IT WHILE YOU CAN! The 2001 yearbook is \$35.00. It is ISD's first ever yearbook using digital images. This yearbook has 122 pages.

Brochures with order forms will be distributed very soon for ordering the 2002 yearbook, which remains at \$35.00. We ordered 125 yearbooks for 2002. The price is a BARGAIN! It costs \$61.55 cents

per yearbook, and you only have to pay \$35! It will include 8 color pages and 16 color pages of current events special for 2001-2002. See the yearbook staff at 12:45-1:35 in Room G-04 to purchase only the 2000, 2001, or 2002 yearbooks. Thank you!

SAFETY BULLETIN

HOW TO HANDLE ANTHRAX THREATS IN THE OFFICE

Indianapolis experienced a rash of anthrax letter threats in 1998-1999. Recent events have again raised public concern about the risks posed by these threats. The good news is that all the incidents in Indianapolis have been hoaxes. The bad news is that we will likely have more incidents. The public safety agencies of Indianapolis-Marion County have plans to deal with these threats quickly and efficiently. The following guidelines are offered to you in the event you receive an anthrax threat letter.

MAIL SCREENING CHECKLIST

Staff responsible for incoming mail should maintain an awareness of the possibility of anthrax threat letters. This checklist outlines common features of anthrax threat letters.

No return address

Excessive postage

Hand written or poorly typed addresses

Misspelling of common words

Restrictive markings such as "Confidential", "Personal", etc.

Excessive weight and/or a feel of a powdery substance

IF YOU RECEIVE A LETTER OR NOTE THREATENING ANTHRAX

CONTAMINATION

RELAX AND REMAIN CALM - Although any threatened use of biological agent must be treated as though it is real, experience has demonstrated that these are likely to be a HOAX. If the suspected biological agent is reported as Anthrax, be assured that it is NOT contagious, and that treatment is readily available if administered before the onset of symptoms.

WHAT YOU SHOULD DO

If it is a letter that you have opened, set it down gently at the location where you first read it. Then move to an area that will minimize your exposure to others. Avoid contact with others when possible, and remain in the area. Public Safety and Health responders will come to you.

If it is a note that you happen to find, LEAVE IT ALONE.

Advise a coworker in the immediate area what has happened and ask them to call Campus Police at 920-6227 or Campuspolice@Wyndtell.com

If possible, have the buildings ventilation system shut down and turn off any fans in the area.

Do not allow others into the area. If anyone enters, they should stay until instructed to leave by Public Safety or Health responders.

Remain calm. Exposure does not mean that you will become sick. Public Health responders will provide specific information and instructions about the symptoms and effective treatment to prevent illness.

WHAT YOU SHOULD NOT DO

Do not pass the letter or note to others to look at.

Do not disturb any contents in the letter or note. Handling the letter may only spread the and substance inside and increase the chances of it getting into the air.

Do not ignore the threat. It must be treated as real until properly evaluated.

IF YOU RECEIVE A THREAT BY TELEPHONE

WHAT YOU SHOULD DO

Call Campus Police immediately at 920-6227 or
Campuspolice@Wyndtell.com

2. If possible, have the buildings ventilation system shut down.
3. Remain calm, similar threats have all proven false and this is likely to be a hoax as well.

WHAT YOU SHOULD NOT DO

Do not ignore the threat. It must be treated as real until properly evaluated.

Do not argue with or antagonize the caller.

Listen carefully to the caller so you can recall the details later. Listen for background noises.

WHAT YOU CAN EXPECT FROM A RESPONSE BY PUBLIC SAFETY AND HEALTH

Marion County Emergency Management and Marion County Health Department will respond with the jurisdictional law enforcement and fire service. People will be asked to cooperate by waiting in the area until an appropriate evaluation of the incident is made. You will be given information as soon as it is available. There may be a decontamination (washing/rinsing) process performed on the persons exposed and/or the area. There are several ways to accomplish decontamination and the method used will be based upon the conditions present at the scene. The scene will be photographed and the letter and any product taken into custody as evidence and to determine the nature of any product. Statements will be taken from those involved.

Even in the event of a substance being real anthrax, infection is unlikely and treatment is extremely effective. Stay calm and proceed slowly with

the above instructions. For more information please contact the Indianapolis-Marion County Emergency Management Agency at 327-3900.

ISD staff and students can substantially reduce solid waste by following these basic principles:

RECYCLING: The Four Basic Principles

Reduce the amount of trash discarded.

Reuse containers and products.

Recycle materials and compost.

Respond to the solid waste dilemma by reconsidering waste-producing activities and by expressing preferences for less waste.

SAFETY BULLETIN

HOW TO HANDLE ANTHRAX THREATS IN THE OFFICE

Indianapolis experienced a rash of anthrax letter threats in 1998-1999. Recent events have again raised public concern about the risks posed by these threats. The good news is that all the incidents in Indianapolis have been hoaxes. The bad news is that we will likely have more incidents. The public safety agencies of Indianapolis-Marion County have plans to deal with these threats quickly and efficiently. The following guidelines are offered to you in the event you receive an anthrax threat letter.

MAIL SCREENING CHECKLIST

Staff responsible for incoming mail should maintain an awareness of the possibility of anthrax threat letters. This checklist outlines common features of anthrax threat letters.

No return address

Excessive postage

Hand written or poorly typed addresses

Misspelling of common words

Restrictive markings such as "Confidential", "Personal", etc.

Excessive weight and/or a feel of a powdery substance

IF YOU RECEIVE A LETTER OR NOTE THREATENING ANTHRAX
CONTAMINATION

RELAX AND REMAIN CALM - Although any threatened use of biological agent must be treated as though it is real, experience has demonstrated that these are likely to be a HOAX. If the suspected biological agent is reported as Anthrax, be assured that it is NOT contagious, and that treatment is readily available if administered before the onset of symptoms.

WHAT YOU SHOULD DO

If it is a letter that you have opened, set it down gently at the location where you first read it. Then move to an area that will minimize your exposure to others. Avoid contact with others when possible, and remain in the area. Public Safety and Health responders will come to you.

If it is a note that you happen to find, LEAVE IT ALONE.

Advise a coworker in the immediate area what has happened and ask them to call Campus Police at 920-6227 or Campuspolice@Wyndtell.com

If possible, have the buildings ventilation system shut down and turn off any fans in the area.

Do not allow others into the area. If anyone enters, they should stay until instructed to leave by Public Safety or Health responders.

Remain calm. Exposure does not mean that you will become sick. Public Health responders will provide specific information and instructions about the symptoms and effective treatment to prevent illness.

WHAT YOU SHOULD NOT DO

Do not pass the letter or note to others to look at. Do not disturb any contents in the letter or note. Handling the letter may only spread the and substance inside and increase the chances of it getting into the air.

Do not ignore the threat. It must be treated as real until properly evaluated.

IF YOU RECEIVE A THREAT BY TELEPHONE

WHAT YOU SHOULD DO

Call Campus Police immediately at 920-6227 or
Campuspolice@Wyndtell.com

2. If possible, have the buildings ventilation system shut down.
3. Remain calm, similar threats have all proven false and this is likely to be a hoax as well.

WHAT YOU SHOULD NOT DO

Do not ignore the threat. It must be treated as real until properly evaluated.

Do not argue with or antagonize the caller.

Listen carefully to the caller so you can recall the details later. Listen for background noises.

WHAT YOU CAN EXPECT FROM A RESPONSE BY PUBLIC SAFETY AND HEALTH

Marion County Emergency Management and Marion County Health Department will respond with the jurisdictional law enforcement and fire service. People will be asked to cooperate by waiting in the area until an appropriate evaluation of the incident is made. You will be given information as soon as it is available. There may be a decontamination (washing/rinsing) process performed on the persons exposed and/or the area. There are several ways to accomplish decontamination and the method used will be based upon the conditions present at the scene. The scene will be photographed and the letter and any product taken into custody as evidence and to determine the nature of any product. Statements will be taken from those involved.

Even in the event of a substance being real anthrax, infection is unlikely and treatment is extremely effective. Stay calm and proceed slowly with

the above instructions. For more information please contact the Indianapolis-Marion County Emergency Management Agency at 327-3900.

Sports Update

FRAT Announces Volleyball Team of the Year - FRAT announced Indiana Volleyball as the 2001 FRAT Team of the Year!!! FRAT Sports Editor Barry Strassler notified Coach Bippus early Friday morning to break the good news to his players and ISD before announcing it in the DeafSportZine. ISD placed 2nd in the Arlington Invitational and won the Spike-Out III and Central States Schools for the Deaf tournaments. ISD set a school record for highest wins in a season, 26, and lost 11. Numerous individual school records have been rewritten by Erica Hossler, Cherish Lewis, and Pia Marie Paulone. This is first national champion for ISD since 1995 when Coach McBroom won it with her 18 - 2 team. This is Coach Bippus' third Team of the Year honors (1993 and 1997 at MSSD). CONGRATULATIONS to Brooke Aldrete, Erica Hossler, Jorjan Jeter, Annalee Laird, Cherish Lewis, Candice Lisenby, Ellen O'Hara, Pia Marie Paulone, Elsie Ritchie, Lena Robinson, and Emily Schultz!!!! SPECIAL THANKS to Assistant Coaches Lori Kiel and Heidi Morris!!!! SALUTE to all former players who helped making ISD a powerhouse VB program!!!!

HS Football -The Deaf Hoosiers Football Team ended our season with a very hot, exciting game, but in the end we lost in the fourth quarter. It was a 14 - 14 tie, a seesaw duel but ended 32 to 14 as the final score. The highlights were Onye Davis rushing for over 140 yards and a long 85-yard TD run. Adam Brimmer was hot tackling on defense. Bradley Pollard ran a reverse for a TD and caught three good passes from Justin (J.T.) Reynolds, which almost sparked our team. There were two big questionable calls, which could have turned our team around, but unfortunately the officials saw it differently. Our defense and tackling still needs work and improvement. All our boys fought hard all the way and never gave up! Our players played together, consistently got better in some areas, stayed together, and showed class and pride with good sportsmanship and kept their heads up! We, coaches, are proud of this wonderful bunch of boys. With only four seniors, we are very excited about next year. All our freshmen and juniors have gained so much experience this year. The chemistry and the talent are there, and the team has grown so much together now. All of the players will join our weightlifting program, our Spring Clinic, SOS QB/R clinics, 3 Summer Football camps- (Belden Linemen Camp, QB/R Camp, BSU Football Camp) and our mandatory 2-week football training camp in August before school starts. We also hope to get more coaches, too. We hope that all of the parents, families, friends, staffs, administrators, and the community will encourage and support our football players and our program. Pat them on their back and tell our players, "You have done your best; hang in there, and fight back!" - Coach David O. Reynolds
